

CHAD QUIST

Guitarist & Producer, Touring Artist, Session Player, Songwriter & Vocals

From the Bay Area and long time Seattleite, Chad Quist is a thirty five year full time professional of the west coast music scene. Touring guy, session guitar player, producer, engineer, mixer, vocalist and transcriber are some of the gigs Chad might have in a given week. Chad is a Berklee College Of Music graduate and also spent a decade in LA working for top agencies playing celebrity weddings and corporate events.

No stranger to making records in past bands and producing for other artists, he released his first ever instrumental solo effort, "Mercury Messenger" on The Highlander Company Records. The project brings to mind guitar gods like Jeff Beck, Joe Satriani and Eric Johnson, but unlike other instrumental rock records it is also smooth and song based, giving you hints of Pink Floyd, Rush, Toto, Steely Dan and The Beatles. Quist has enlisted the help of Jonathan Mover (Joe Satriani, GTR, Fuel) and Ben Smith (Heart) on drums, as well as Ty Bailie (Katy Perry, Joss Stone) on B3, among other top LA sidemen to round out the record.

Touring with artists like Big Brother and the Holding Company and Dilana Smith (Rockstar Supernova) has given Chad a vehicle to showcase some of his instrumental compositions, often stunning crowds with his cascading delay work.

Since 2019 Chad also has been a member of Heart By Heart, featuring original Heart members Steve Fossen and Michael Derosier. Other recent touring gigs have been with Microsoft co-founder Paul Allen, Frank Stallone and folk legend Glenn Yarbrough. Chad is also currently involved in recording parts for Operation : Paperclip (Highlander Co. Records) along with Dan Reed (Dan Reed Network) and Greg Bissonette on drums.

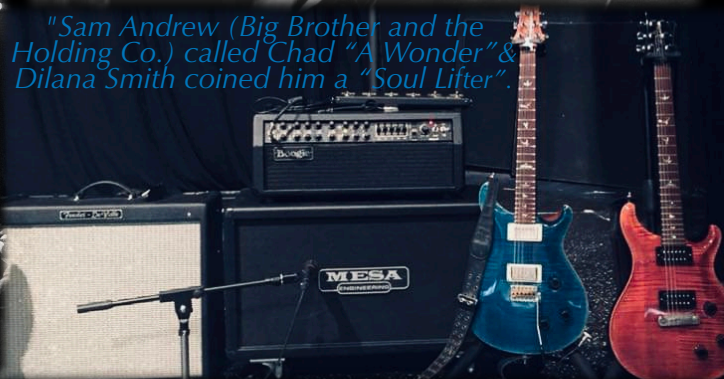

Chad's CD, "Mercury Messenger" has acted as a calling card for Quist's engineering and production skills, as he intends to continue to produce other artists as well as his own future projects. When he is not out playing live he runs Luscious Moss studio in Edgewood, WA

Chad Quist

"Sam Andrew (Big Brother and the Holding Co.) called Chad "A Wonder"& Dilana Smith coined him a "Soul Lifter".

Impeccable- Inspiring- Irrepressible
Chad's gift is not only his musicality-
His humor and humanity leave an indelible imprint on all
of his friends and family!
